

Dear Parent,

Thank you for your interest in Gan Chabad Preschool! Our school is entering its seventeenth year in Williamsburg, with a 2's, 3K and Pre k for all Class. We offer a full Jewish and academic curriculum in a warm, gentle and nurturing setting.

At Gan Chabad Preschool, we strive to nurture each child's innate sense of wonder and curiosity. We firmly believe that the cornerstone for all cognitive learning is a nurtured sense of self worth, achieved by celebrating each child's individual creative expressions and their unique strengths. Our teachers are experienced educators who bring to their job a unique blend of personal and professional warmth that have become the trademark of a Chabad Preschool, in New York and beyond.

Our center-based preschool classrooms are full of opportunities for learning, socialization and growth. Judaic and academic themes are mutually-reinforcing, and cover all the various concepts that complete an early childhood education: Literacy, pre-Math, Social Sciences, Sciences, Music and Art.

At Gan Chabad Preschool, Jewish learning is not simply a subject. The warmth, meanings and traditions of Judaism are an integral part of each day. Jewish songs, holidays and Hebrew language are taught in meaningful and joyous ways, inspiring a deep-rooted Jewish connection in each of our students.

Our approach to integrated education is informed by both Jewish wisdom and the best of progressive educational practice, primarily Reggio Emilia and Montessori. These methods guide and inspire us to maintain a high level of respect for each individual child, for the pursuit of knowledge and for the world around us.

At Gan Chabad Preschool we view each child as a precious gift entrusted into our care. This belief translates into every day and each encounter at Gan Chabad Preschool.

In addition, we offer a unique and rich program of daily specialty classes including Art, Yoga, Music, Dance and Gym. Each Friday the children enjoy making, baking and taking home their very own Challah bread.

Enclosed please find an application form, operating hours and fees for the coming year. Please complete and return the application and you will be contacted to schedule a school tour.

I look forward to showing you around our school and answering any questions you may have! You may also visit our website, GanChabadPreschool.com for more information on the school. Please feel free to contact me anytime at 718.388.0748 or via email at director@ganchabadpreschool.com.

With my best wishes,
